

# Gold Wing Touring Association

June 4, 2004

Dear

A recent membership print out from our national office indicated that you have not renewed your GWTA membership. Whenever a member does not renew, we become concerned that we have not lived up to our motto of "Destination Friendship" or have not provided the structure for members to enjoy social gatherings and events.

In an effort to pinpoint our weak areas and make improvements, we would appreciate it if you would take a few minutes to complete the following survey, and return it in the enclosed self-addressed, stamped envelope.

---

I did not renew my GWTA membership because:

I no longer own a motorcycle

I am pursuing other interests

Divorce

Military Service

Health problems

Young children at home

Moving

Other (please complete remarks)
