Dear George & Laura,

Hi! We wanted to say thank-you for visiting Chapter V of the Washington State Gold Wing Touring Association (GWTA), and make sure you felt welcome in our group.

Chapter V is known as the "Green Team" because of our Chapter color, and our esprit way of showing it wherever we go. As GWTA Chapters go, we are among the largest in the state, with over 150 members on our rolls, and 75+ at any meeting. We enjoy riding, camping, visiting, socializing, joking around, doing community service, going for ice cream, and generally having a good time.

While our name says "Gold Wing", please know that anyone who rides is welcome to join us. All we ask is that you want to have a good time, and aren't afraid of being seen with a group of green-clad people. Membership in the GWTA is less than \$50 a year, and comes with lots of benefits. We've enclosed a chapter newsletter and membership application for your consideration.

If you have any questions about Chapter V, or we can assist you in any way, please feel free to call us at (253) 555-2126, or email to pjfund@comcast.net.

Again, thanks for visiting, and we hope to see you again soon!

Sincerely,

Judy Funderbunk
