

Gold Rush XXV

Wall of Memories

This is our 25th Gold Rush and Birthday party and this year we are celebrating MEMORIES. We are asking all of our chapters to bring a collage of pictures to put on our wall of memories. These can have a theme or just a collection of memories you and your chapter have made in your time as a GWTA member or even memories from past Gold Rush's you have attended. Why not bring more than one and share even more memories with your friends. There will be a wall designated at Tan Tara for you to display your Memories. We are asking that you place your photo memories on a **22inch by 28 inch poster board** so that we can build the wall one block at a time. Use your imagination and be creative but most of all share the great memories you have made in the years you have invested in your chapter.
